Giving an Assurance does not constitute an admission that a violation has taken place. The Assurance may include a stipulation for payment by respondent to the complainant and /or the Association. From time to time, a person who has made an Assurance of Voluntary Compliance shall provide all information the Board reasonably requests to determine whether the respondent complies with the Assurance. The Board is not precluded from further action by its acceptance of the Assurance of Voluntary compliance in the event that the respondent violates the terms of the Assurance.

- 11.8.4. The decision of the Board shall be served on each party to the matter forthwith in the manner provided above. A copy of the decision and order shall be sent to the Secretary of the Association and shall be included in the books of the Association.
- 11.8.5. **Judicial Enforcement**; Failure to comply with a decision of the Hearing Board following notice of a violation and an opportunity for a hearing, shall be grounds for an action by the Association to recover sums due for damages, which shall include any fines levied by the Hearing Board and any costs incurred by the Association in connection with the proceedings before the Hearing Board, or for injunctive relief, or both, maintainable by the Association. WHEREAS, the Board deems it to be in the best interests of the Association to adopt a uniform and systematic procedure for dealing with delinquent accounts in a timely manner, and further believes it to be in the best interests of the Association to refer these accounts promptly to an attorney for collection so as to minimize the Association's loss of assessment revenue; and

WHEREAS the Board has retained the Association's attorney for the attorney's experience in representing condominium and homeowner associations in collections and in other matters; and

WHEREAS the Board has directed the Association's attorney to represent the Association on the terms outlined in this resolution; NOW, THEREFORE,
